1ST RESPONDER CHALLENGE FACT SHEET

A key component of the Run To Remember is the 1st Responder Challenge. This is a team event for the half marathon with cash prizes for the fastest teams by category. Any 1st Responder department from across the country can field a team of 5 or more active members to run the half marathon.

1st Responder Challenge benefits:

- The top teams will earn a donation to a charity of their choice or for use in their department
- We will circulate a media release announcing the winning departments and the charity they support
- A trophy will be provided to each top department and top three males and females in the challenge
- Teams registered by March 1st will be listed on the 1st Responder Challenge Banner
- Each team member will receive a special limited edition commemorative Challenge Coin

Prize Money for the 2018 1st Responder Challenge

Category 1 Departments with 1,000+ firefighters/officers	\$7,000 1st Place \$3,000 2nd Place
Category 2 Departments with 100–999 firefighters/officers	\$5,000 1st Place
Category 3 Departments with less than 100 firefighters/officers	\$5,000 1st Place

Special Sponsor Awards

- \$2,500 1st Place Fire Department (in the half marathon)
- \$500 Cadet/Explorer Post (in 10K)

Note: Each award level is based upon a minimum of 3 qualifying teams per award category.

Here are the key requirements for the competitive teams:

- Each competitive team must have at least 5 runners, running the Half Marathon
- All runners must be sworn, active 1st Responders or a recruit in a training academy at the time of the race
- Each runner must register individually
- A sponsor can pay for team member registration fees – have each team member fill out a paper application from the race website. They can be mailed in by each officer, with a note stating who the payment will be coming from, or as a group. Only paid applications will be entered into the race database and receive race entry
- The 5 fastest runners on each team will have their time averaged to determine the 3 fastest teams
- When registering, click on join a team (or create a new team if your department is not listed) and select or type in your department name. Then answer “yes” to the question “Are you a 1st Responder?” and choose or enter your department/team name

There is no limit to the size of your team. A department can also field multiple teams. We want departments to participate to show support and to be a part of the tribute, regardless of what the team pace is.
